THE SADIDIANS

A step ahead in services!

Brief History

The company was established in the year 1990 as a proprietary family concern. Its main office is located at Sadid Plaza Canal View Society Multan Road, Lahore in Company's Own 5 Floor Building. We are representing a number of well known manufacturers from all over the world in Pakistan market, both in Private and Public Sectors.

Our corporate culture can be attributed to the superior problem solving skills of our employees and the challenging requests of our business partners. We are proud of our ability to respond to urgent purchase requirements, and expedite proposals for long term business solutions

Vision

Our vision is to become a multi-model trading firm that provides efficient service nationwide through our best management team and to be a leader among our competitors.

Mission

We strive to deliver the highest standard of satisfaction to all our clients, meeting individual project challenges and requirements.

THE SADIANS

A step ahead in services!

Our Services

Because of our efficient services and solutions, our business partners trust us with their procurement needs that require confidentiality, security, compliance; import, and installation commissioning.

Our partners receive the highest quality of service and innovative solutions.

Continuous development is the key and because of today's business climate, we are constantly engineering new solutions and re-engineering proven ones that fit our partner's needs.

We also facilitate our valuable customers for forwarding and clearance of Goods and Machinery from all over the world to their site. Our expertise in the procedure of Import Process always results to economical expenditures. We also facilitate for the sea and air freight management. Our subsidiary firms given below deliver the best performance for their satisfaction.

- Port Linker
- Zeeshan International
- B.S International
